

HIA & Sea World® Summer Camp Program

Program Overview

Students will participate in our 15-hour Intensive English program for the first 2 weeks. The Intensive English program is designed to improve all areas of the English language including reading, writing, listening, speaking, vocabulary, pronunciation, etc. After the student has completed the English language program, he/she will be transferred to the Sea World® premises in a safe and secure environment. The camp includes accommodation in large, modern dormitories, three meals per day, 24-hour supervision and daily park admission.
